Portfolio: [www.adamkwolff.com](http://www.adamkwolff.com)

Analytical and creative problem solver with a thirst for knowledge and a passion for programming. Has years of experience designing programs and working with groups to deliver finished projects.

## Education

### ELECTRICAL & COMPUTER ENGINEERING

2012 - 2015

University of Kentucky, Lexington, KY

While at Kentucky, I found my passion for programming through the **Python** and **C++** languages. I also learned how to use micro-controllers and how to design circuits. I took many semesters of advanced Calculus, Physics, and Chemistry. In December of 2015 my father passed away at the end of my Junior year. I soon moved home to take care of my family.

### FULL STACK WEB DEVELOPMENT

2020

Vanderbilt University, Nashville, TN

I took a 6-month coding bootcamp through Vanderbilt University for fullstack Web Development. While there, I learned several different programming languages including: **HTML**, **CSS**, **JavaScript**; as well as several frameworks, libraries, runtime environments, and databases including: **NodeJs**, **npm**, **Git**, **React**, **Bootstrap**, **MaterialUI**, **Handlebars.js**, **jQuery**, **ExpressJs**, **MySQL**, **MongoDB**, and **Firebase**.

## Professional Experience

### MAINTENANCE SUPERVISOR

2015 - Present

Heritage Bay Development, Hopkinsville, KY

- Oversees building renovation project budgets ranging from \$1 - \$25,000
- Delegates tasks to other maintenance men and assist them depending on the project.
- Helps lower costs by salvaging parts and fixing old equipment.
- Keeps everyone on task and holds them accountable for their project deadlines.

**Supervisor: Laura Neighbors - (270) 484-3916**

### SERVER

2015 - 2020

Harper House Restaurant, Cadiz, KY

- Provided the absolute best customer service.
- Managed several tasks while providing 5-star service to the consumer.
- Trained new servers and taught them the menu and procedures.
- Was laid off in March 2020 due to COVID-19 restrictions.

**Supervisor: Brett Clayton - (270) 719-0069**
